

## Call for Exhibitors

*Don't miss this chance to leave your mark at Design Security Futures conference*

The Design Security Futures conference is a great opportunity for exhibitors to showcase their project and research results to an audience composed of policy makers, law enforcement agencies, general public, architects/urban planners, etc. interested in security policy in the fields of (i) Predictive Policing; (ii) Community Policing; (iii) Crime Prevention through Urban Design & Planning (CP-UDP); and (iv) Citizens' feelings of insecurity.

Learn more about the Conference [here](#).

### Limited Slots only:

- Avail of FREE exhibitor space (2x1m + 2 chairs) – exhibitors are required to have a promotional roll-up of their project
- Promote your project in the field of security research and innovation
- Network with other local and international policy makers, law enforcement agencies representatives and scholars
- Participate in the conference workshops
- FREE catering for exhibitor representatives

### Reserve now!

Submit a letter of intent to [conference@cuttingcrimeimpact.eu](mailto:conference@cuttingcrimeimpact.eu) with the subject "Design Security Futures - Exhibit"

Deadline for application: 10 November, 2021
